We have audited the accompanying financial statements of Shepherd's Farm Senior Housing at West Deptford, Inc. ## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Project's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## SHEPHERD'S FARM SENIOR HOUSING AT WEST DEPTFORD, INC. Notes to Financial Statements

#### Note 1: ORGANIZATION

Shepherd's Farm Senior Housing at West Deptford, Inc. (the "Corporation"). HUD Project No. 035-EE045 (the "Project") was organized to acquire real property located in West Deptford, New Jersey and to construct, develop and operate a housing project for the elderly under Section 202 of the National Affordable Housing Act. The 76-unit project consists of seventy-five one bedroom units for residents and one two bedroom unit for on-site staff. The project is regulated by the U.S. Department of Housing and Urban Development ("HUD") as to rent charges and operating methods.

The project was funded mainly by Section 202 loan funds from the Department of Housing and Urban Development, as well as some funding from the Federal Home Loan Bank and the Casino Reinvestment Development Authority/Gloucester County Improvement Authority. The Diocesan Housing Services Corporation of the Diocese of Camden, Incorporated is the project asset manager. The Corporation has contracted with the Housing Authority of Gloucester County to provide property management services to the Shepherd's Farm facility.

For operating purposes, the date of first occupancy for the development was July 1, 2005.

The Corporation operates under the federally funded program Supportive Housing for the Elderly, Section 202. This program has two components, a capital advance and project rental assistance contract (PRAC).

#### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

<u>Basis of financial statement presentation</u> - The financial statements have been prepared on the accrual basis of accounting and in conformity with the standards promulgated by the American Institute of Certified Public Accountants in its audit guide for not-for-profit organizations.

Financial statement presentation also follows the recommendations relevant accounting standards which require the organization to report information regarding their financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Temporarily restricted net assets are those whose use by the Corporation has been limited by the donors to a specific time period or purpose. The corporation has no permanently restricted net assets.

<u>Use of estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Land, building and equipment</u> - The Corporation carries property and equipment at cost. When retired or otherwise disposed of, the carrying value of the assets and related depreciation are removed from the respective accounts, and the net difference, less any amount realized from disposition, is charged or credited to income.

Notes to Financial Statements (continued)

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (continued)

Depreciation has been provided on each class of depreciable property using the straight-line method. Estimated useful lives are as follows:

Buildings
Building improvements
Furniture and equipment

40 years 10 to 20 years 3 to 10 years

Income taxes - Shepherd's Farm Senior Housing at West Deptford, Inc. is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and accordingly does not record a provision for income taxes on related income.

<u>Statements of cash flows</u> - For the purpose of the statement of cash flows, the Corporation includes only unrestricted operating cash. Restricted cash related to resident security deposits and the replacement reserve, are not included as cash in the statement.

#### **New Accounting Pronouncements**

Revenue from Contracts with Customers – In May 2014, the Financial Accounting Standards Board issued guidance that replaces the existing accounting standards for revenue recognition. The guidance requires an organization to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration it expects to be entitled to receive in exchange for those goods or services. The standard is effective for the fiscal year ending June 30, 2020 (with early adoption permitted) and may be adopted either by restating all years presented in the organization's financial statements or by recording the impact of adoption as an adjustment to retained earnings at the beginning of the fiscal year ending September 30, 2020. The organization is assessing the potential impact this quidance will have on its financial statements.

Presentation of Financial Statements of Not-for-Profit Entities – Issued in August 2016, Accounting Standards Update (ASU) No. 2016-14 is intended to improve the presentation of financial statements of not-for-profit (NFP) entities and provide more useful information to donors, grantors, and other users. The ASU eliminates the distinction between resources with permanent restrictions and those with temporary restrictions from the face of NFP financial statements by reducing the current three net asset classes (unrestricted, temporarily restricted, and permanently restricted) to two classes (net assets with donor restrictions and net assets without donor restrictions). The ASU will also require additional information to be disclosed about investment return, expense classifications, liquidity and availability of resources, and presentation of operating cash flows. The standard is effective for the fiscal year ending September 30, 2019. Early application will be permitted. The organization is assessing the potential impact this guidance will have on its financial statements.

<u>Subsequent events</u> - Subsequent events were evaluated through December 2, 2016, the date the financial statement were available to be issued.

Notes to Financial Statements (continued)

#### Note 3: REPLACEMENT RESERVE ACCOUNT

Under the regulatory agreement related to the project, the Corporation is required to set aside \$3,290 per month for the replacement of property and other project expenditures that can be made only with HUD's written approval. HUD-restricted deposits are held in separate accounts and generally are not available for operating purposes. The amount of the replacement reserve account totaled \$436,390 and \$396,285 at September 30, 2016 and September 30, 2015, respectively.

## Note 4: RESIDUAL RECEIPTS ACCOUNT

Management is required to establish a residual receipts account for any surplus cash as defined by HUD. According to HUD Notice H-2012-014, beginning in 2013 HUD began offsetting the corporation's monthly Housing Assistance Payment (HAP) vouchers with any excess residual receipts. This offset amount is to be determined by management and the HUD project manager at the end of each year. HUD requires each organization retain residual receipt balance not to exceed \$250 per unit, which for the organization amounts to \$18,750. The residual receipts account was equal to \$18,760 and \$36,870 as of September 30, 2016 and September 30, 2015, respectively. \$18,120 was recaptured by HUD during 2016. Residual receipts available for recapture are \$0 and \$18,120 and are recorded as a liability on the statements of net position, as of September 30, 2016 and 2015, respectively.

#### Note 6: CAPITAL ADVANCES

HUD funded a Section 202 Capital Advance in the amount of \$7,552,000 to pay for the construction of the project. HUD holds a non-amortizing mortgage on the property under the terms of the Capital Advance agreement with HUD. No repayment is required so long as the owner complies with the Regulatory Agreement with HUD to make available rental housing to very low-income elderly persons for 40 years. Failure to comply with the terms of the Capital Advance and HUD's business agreements may result in foreclosure under the mortgage.

## Note 7: TEMPORARILY RESTRICTED NET ASSETS

The Corporation received an Affordable Housing Program Direct Subsidy from the Federal Home Loan Bank of New York through its member bank, The Fulton Bank. The agreement, dated October 1, 2002, provided a subsidy of \$1,223,600 to the Corporation to subsidize the construction costs of the project.

For a period of 15 years, Fulton Bank and the Corporation must jointly certify to the Federal Home Loan Bank of New York, on an annual basis, beginning on the second anniversary date of project completion (July 1, 2007) that tenants' rental and incomes are in compliance with the rent and income targeting commitments made in the application and that the project is habitable. The direct subsidy is a grant with a temporary restriction, lasting 15 years. If the Corporation does not follow the restrictions of the deed described in the agreement during the 15 year period, the subsidy must be repaid with interest. The subsidy will be shown as a temporarily restricted net asset for a period of 15 years beginning July 1, 2005, which was the first date of occupancy. There were no changes in temporarily restricted net assets for the years ended September 30, 2016 and 2015.

#### Note 8: OWNERS EQUITY

The owner-entity was required to deposit a minimum capital investment under the Section 202 Capital Advance Program. The owner deposited \$10,000 in an account to fulfill this requirement. This amount is considered temporarily restricted until HUD releases the funds back to the owner. It is included in temporarily restricted net assets.

#### Note 9: GOVERNMENT SUBSIDIES

The Corporation is provided project-based rental assistance under a Project Rental Assistance Contract (PRAC) with HUD, which is calculated based on operating costs standards established by HUD. The Corporation received \$324,624 and \$273,854 in rental assistance payments for the years ended September 30, 2016 and 2015, respectively.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Shepherd's Farm Senior Housing at West Deptford, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Shepherd's Farm Senior Housing at West Deptford, Inc., which comprise the statement of financial position as of September 30, 2016, and the related statement of activity and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 2, 2016.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Shepherd's Farm Senior Housing at West Deptford, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Shepherd's Farm Senior Housing at West Deptford, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Shepherd's Farm Senior Housing at West Deptford, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weakness. However, material weakness may exist that have not been identified.

## Management's Responsibility

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Shepherd's Farm Senior Housing at West Deptford, Inc.'s federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the audit requirementsof Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Shepherd's Farm Senior Housing at West Deptford, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

### Report on Internal Control Over Compliance

Management of Shepherd's Farm Senior Housing at West Deptford, Inc., is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Shepherd's Farm Senior Housing at West Deptford, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Shepherd's Farm Senior Housing at West Deptford, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
