Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles prescribed or permitted by the New Jersey Housing and Mortgage Finance Agency; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for determining that the applicable financial reporting framework is acceptable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Pop Moylan Urban Redevelopment Company, LLC as of December 31, 2017 and 2016, and the results of its operations, the changes in members' equity (deficit) and its cash flows for the years then ended, on the basis of accounting described in Note 2.

Basis of Accounting

As described in Note 2 to the financial statements, the financial statements were prepared in conformity with the accounting practices prescribed or permitted by the New Jersey Housing and Mortgage Finance Agency, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Restriction on Use

This report is intended solely for the information and use of the management of Pop Moylan Urban Redevelopment Company, LLC and the New Jersey Housing and Mortgage Finance Agency and is not intended to be and should not be used by anyone other than those specified parties.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information required by the New Jersey Housing and Mortgage Finance Agency, as listed in the Table of Contents, is presented for purposes of additional analysis and are not a required part of the financial statements.

In our opinion, the supplementary schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

POP MOYLAN URBAN REDEVELOPMENT COMPANY, LLC
NJHMFA PROJECT NO. 1202
Notes to Financial Statements

Note 1: ORGANIZATION AND ACTIVITY

The Pop Moylan Urban Redevelopment Company, LLC (the "Company") was formed as a limited liability company under the laws of the State of New Jersey on October 10, 1996, for the purpose of constructing and operating a low-income rental housing project consisting of 80 units for the elderly in Deptford, New Jersey, and currently operating under the name Nancy J. Elkins Seniors Housing.

The project has qualified for low-income housing tax credits pursuant to Internal Revenue Code Section 42 (Section 42) which regulates the use of the project must meet the provisions of these regulations during each of 15 consecutive years in order to remain qualified to receive the tax credits.

The Company will continue to operate until December 31, 2046 unless dissolved earlier in accordance with the Amended and Restated Operating Agreement ("Operating Agreement").

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis for Presentation

The accompanying financial statements have been prepared in accordance with the New Jersey Housing and Mortgage Finance Agency (NJHMFA) Policies and Procedures Manual, revised July 1, 1996.

The accounting practices prescribed or permitted by NJHMFA for the depreciation of property and equipment differ from accounting principles generally accepted in the United States of America. The estimated useful lives are the same as the lives used for tax purposes. In addition, depreciation is to be shown in an amount equal to the principal amount of the mortgage payment made in the period. The excess of total depreciation over the amount of the principal payments is presented below the net income line for financial statement purposes.

The accounting practices prescribed or permitted by NJHMFA for transactions in the reserve for repairs and replacements differ from accounting principles generally accepted in the United States of America as follows:

- Funding of the reserve for repairs and replacements is recorded as an expense.
- Reimbursements from the reserve for repairs and replacements are recorded as income when approved by the Agency as opposed to when the actual expenditure is made by the Company.
- Interest earned by the reserve for repairs and replacements fund is recorded directly in restricted equity.

Use of Estimates

The preparation of financial statements in conformity with the basis of accounting described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NJHMFA PROJECT NO. 1202
Notes to Financial Statements (Continued)

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentration of credit risk are cash and restricted reserve deposits. The Company deposits its cash with high-credit, quality financial institutions. At various times during the fiscal year, the Company's cash in bank balances exceeded the Federally insured limits. At December 31, 2017, the Company's uninsured cash balances totaled \$10,837.

Accounts Receivable and Bad Debts

Accounts receivable are stated at the amount the Company expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances which are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable. Changes in the valuation allowance have not been material to the financial statements.

Rental Property and Equipment

Property and equipment are recorded at cost. Assets capitalized generally have an original cost of \$1,000 or more and a useful life in excess of seven years. Depreciation is provided using primarily the straight-line method over the estimated useful lives of the assets, ranging from 7 to 27.5 years.

The Company reviews and evaluates its property and equipment for impairment when events or changes in circumstances indicate that the related carrying amounts may not be recoverable. An impairment is considered to exist if both (a) the total estimated future cash flows on an undiscounted basis are less than the carrying amount of the assets and (b) the carrying amount exceeds its fair value. If both criteria are met, then recorded amounts of the assets will be reduced to their fair value.

Rental Income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Company and the tenants of the property are operating leases. Under the Operating Agreement, the Company may not increase rents charged to tenants without prior NJHMFA approval. A portion of the rents of certain tenants are subsidized by payments received under programs funded by the US Department of Housing and Urban Development through its Section 8 Rental Assistance program. The payments are received through the Housing Authority of Gloucester County, New Jersey, and the New Jersey Department of Community Affairs, and total 30% and 26% of net rental income for the years ended December 31, 2017 and 2016, respectively.

Repair and Replacement Reserve

Under the Operating Agreement, the Company is required to set aside amounts for the repair and replacement of property with withdrawals to be approved by NJHMFA. NJHMFA-restricted deposits and related net assets are held in a separate account and are not available for operating purposes.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Members of
Pop Moylan Urban Redevelopment Company, LLC

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pop Moylan Urban Redevelopment Company, LLC, which comprise the balance sheet as of December 31, 2017, and the related statements of operations, members' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated March 23, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pop Moylan Urban Redevelopment Company, LLC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pop Moylan Urban Redevelopment Company, LLC's internal control. Accordingly, we do not express an opinion on the effectiveness of Pop Moylan Urban Redevelopment Company, LLC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pop Moylan Urban Redevelopment Company, LLC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Furthermore, during the performance of our audit of the financial statements of Pop Moylan Urban Redevelopment Company, LLC, nothing came to our attention that caused us to believe that:

- Pop Moylan Urban Redevelopment Company, LLC had not filed and paid its federal, state and local income taxes (including payroll taxes) in a timely manner; and
- Pop Moylan Urban Redevelopment Company, LLC made any cash distributions to the partners that were not duly authorized by the New Jersey Housing and Mortgage Finance Agency (NJHMFA).

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
